

NEW!

### Woolacombe Tally Parking System

In order to stop overcrowding with parking on Woolacombe we have put in place a Tally system...

Please find below the photos of the new Tally board on the second to main gate by the road. When you arrive in your car, please check the tally board for how many spaces are left on take off. If there is a space for you please make sure you turn one slat over to show that one of the five spaces have been taken by you e.g. 5 spaces will now be 4 spaces once you flip a slat and drive over. When you leave you MUST do the reverse e.g. 4 spaces will now be 5 spaces now that you have flipped a slat back over and left the hill

WHEN ALL 5 SPACES HAVE BEEN TAKEN THE SIGN WILL READ 'NO VEHICLES'

We have been allocated 5 car parking spaces by the National Trust on take off. Photos in descending order from 5 spaces.
